Disclaimer for Microland Website Chatbot Interaction

Welcome to Microland's chatbot! Before you begin using our chat services, please take a moment to read the following disclaimer:

1. **Purpose and Scope:** Our chatbot is designed to assist you with general inquiries about us and our services and solutions. It provides information based on the data available and aims to enhance your experience on our website.
2. **Accuracy of Information:** While we strive to provide accurate and up-to-date information, the responses generated by our chatbot may not always reflect the most current developments or specific details of our services. For precise and detailed information, please contact our customer support team directly.
3. **No Professional Advice:** The information provided by our chatbot is for general informational purposes only and should not be considered professional advice. For specific advice related to your business needs, please consult with our qualified professionals.
4. **Data Collection and Privacy:** Conversations with our chatbot may be recorded and monitored for quality assurance and training purposes. We are committed to protecting your privacy and will handle your data in accordance with our Privacy Policy.
5. **User Responsibility:** You bear the sole responsibility for your interactions and reliance on the information provided. It is important to exercise caution and use your discretion while interpreting and acting upon our chatbot's responses. We cannot be held liable for any actions, losses, or damages resulting from the use of the chatbot.
6. **Limitation of Liability:** Microland is not liable for any direct, indirect, incidental, or consequential damages arising from the use of our chatbot. Users are responsible for verifying the information provided and making informed decisions based on their own judgment.

Changes to Disclaimer: We may update this disclaimer from time to time to reflect changes in our services or legal requirements. Please review this disclaimer periodically for any updates.

By using our chatbot, you acknowledge that you have read, understood, and agreed to this disclaimer.
